

Star Fish Ornaments

What You Need:

- Salt Dough: Mix 2 Cups All-Purpose Flour, 1 Cup Salt, and 3/4 to 1 Cup of Water
- Jute or Heavy Twine
- Toothpicks
- Let dry, either by allowing to air dry, or by baking in a 200 degree oven for several hours until hardened.
- Once dried and cooled, apply coat of acrylic sealant.
- Tie small loop through hole at top of starfish with jute so the starfish will hang flat when suspended.
- String starfish on strand of jute to make garland.
